Commissioner for Patents

1. The amendment filed on 07/02/2007 canceling all claims drawn to the elected invention and presenting only claims drawn to a non-elected invention is non-responsive (MPEP § 821.03). The remaining claims are not readable on the elected invention because: Applicant, in canceling the claims and presenting new claims, dismissed the restriction requirement part of the Office Action sent on 05/30/2007. In the requirement, it was specifically asked to restrict the claims to the groups presented. Applicant tries to obviate the requirement by rewriting all the claims and not addressing the aspects that necessitated the restriction. An amended set of claims, responsive to the restriction as originally sent, as well to the species election is required.

Since the above-mentioned amendment appears to be a bona fide attempt to reply, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD UNDER 37 CFR 1.136(a) ARE AVAILABLE.
